BARBARA – HOME GROWN @ STUDIO JEAR!

Hi! I am Barbara...

I was born and raised in San Juan, Puerto Rico. I remember my mom and dad holding me in their arms while dancing when I was a baby. I guess this was where my passion for dancing began! Moving to the rhythms of Salsa, Merengue, Cumbia, Regaetton, and all other beats in the Zumba workout is where I am most happy. After my third child and seeing my weight increase, I started doing Zumba. I found Studio Jear featuring "ZUMBAJEAR!" and now, 65 pounds lighter I am a certified Zumba Instructor ready to help you reach your fitness goals and join the party revolution. My inspiration comes from showing my kids that 'You Have To Dream Big! The Sky is the Limit When You Want to Make It Happen!!!! See you at Studio Jear's Zumba Party soon!!!!

**YOU'LL SEE ME @ 2 HOUR JAMS! WEEKLY
